

State Recall Petition

Cover Sheet

Name of Public Officer to be Recalled

Paul Holvey

Title of Public Officer Include office and district.

State Representative, District 8

Statement Reasons for demanding recall in 200 words or less. Any factual information provided must be true.

Paul Holvey ran for office on working class values. But in recent years, he's abandoned those values and has been...

SLASHING WORKERS' PENSIONS: He personally ensured the State House passed deep pension cuts, slashing hard-earned benefits for Oregon's hardest working public employees like teachers and firefighters.

ABANDONING FRONT-LINE WORKERS: He used his short time as acting House Speaker to kill legislation that would have provided vital assistance to workers who had been on the front lines of the COVID crisis, claiming that the implementation would be too complex.

DENYING WORKPLACE RIGHTS: Just this session he helped out scandal-plagued cannabis company La Mota by killing legislation supporting workplace rights for cannabis workers, just months after his caucus' campaign fund was showered in La Mota's cash contributions. Those same workers still face unsafe conditions, wage theft, and retaliation for attempting to unionize.

When it comes to cutting benefits of working Oregonians, Paul Holvey will work like mad to get legislation passed... But when it comes to standing up for workers, Paul Holvey always finds a reason not to.

Our district should be represented by a true champion of working class Oregonians. Paul Holvey should step aside.
